## FROM THE TEAM RECTOR

No sooner have we packed away the crib scenes, Lent is fast upon us. This Wednesday is **Ash Wednesday** (18th February). All are encouraged to begin Lent together at one of our special Eucharists at which ash is blessed and used to mark each of us with the cross. The ash is a sign of sorrow for sin, a reminder that our mortal lives are short and precious, but also that we have eternal life with God through the cross of Jesus.

The Eucharist with imposition of ashes is celebrated *this Wednesday at St Bart's at 12.15pm, St Edmund's at 12.15pm; and at St Mary Magdalene at 6.30pm (sung, with hymns).*

If you are looking for something spiritually nourishing throughout Lent, but not taking up lots of extra time, why not try **Praying with the Psalms: 3-Minute Devotions for Lent and Holy Week 2026**? Please pick up a copy from church. Donations to cover the cost of these is most welcome.

Another opportunity to go deeper this Lent there is our group **Bible Study** on the First Letter of Paul to the Corinthians, starting this Thursday (St Bart's, *in the Lady Chapel 11am-12noon*). In our first session we will concentrate on Chapter 1, and the idea of being called. In subsequent sessions we will work through the letter encountering such themes as divisions in the church, morality, conscience, worship, love, and - just in time for Easter: the Resurrection!

Lastly, please say a prayer for good weather and all the children and families attending our Eco Church **Family Nature Club** tomorrow!

## **ECO CHURCH**

Tomorrow we hold our first Family Nature Club, and we're so looking forward to it. The Nature Reserve is such an important asset to the parish, to East Ham and to the borough - we want everyone to experience the wildlife and history. There is still plenty going on even in winter. Our recent Big Garden Birdwatch survey recorded 14 species, from wood pigeons and crows to the tiny wren and dunnock. It was a perfect day for bird-watching. The highlights were a pair of woodpeckers and a pair of blackbirds - so we can expect some chicks later in the year.
