A message from the Eco Church group - we're so excited for the Christmas Market! As with last year, we have Christmas wreath-making on our stall, as well as homemade preserves (jams, chutneys, pickles), home grown seeds, original artwork and some plants. And information on wildlife, gardening and eco-friendly family activities. We've made good use of the resources around us - fruit from the nature reserve, tomatoes from our garden, and the wreaths are made from material from the grounds, too. Come and meet the team and find out what our plans are for next year!
