## Welcome to the Patronal Festival of St Mary Magdalene!

Mary Magdalene was the first witness of the risen Jesus and was sent by him to spread the good news. She has the ancient title Apostle to the Apostles, and so she is a fitting heavenly patron for us here as we are sent out in mission from this place.

We are delighted to welcome Mthr Katy Hacker Hughes from St Marylebone Parish Church as our guest preacher at our 10am Joint Parish Eucharist. And, as a sign of our unity as a parish, the clergy team along with Mthr Katy will join Fr Paul at the altar as 'concelebrants'. This emphasises our unity and the togetherness of our churches and the sharing of ministries.

A special welcome to you if you do not usually worship with us at St Mary's. Please do stay for lunch in the parish hall (access is via the rear of the hall). We will also be laying to rest the ashes of Gordon Owen in the memorial garden following the service. He was a much-loved servant of God in this parish and we pray that he may rest in peace and rise in glory.

And do come back for our festival **Choral Evensong at 6pm!**

Thank you to the hospitality team, musicians, and all those serving at St Mary's to make this a special patronal festival.

*Fr Paul, Team Vicar at St Mary Magdalene*

A message from **St Mary's Eco-Church group** - This week's challenge is a tasty one - who could pass up the chance for some baking just to avoid plastic packaging. After all, flour usually comes in paper bags, but we have to watch out for other wrappings and as we are at the end of July - so how did you do with our challenges ? Perhaps you struggled to rise to the challenge, refusing single-use plastic is not a new thing for many, but if you are that expert, tell others, and if this was all new to you, spread the word. If everyone does what they can, we can make a difference, all together. Thank you for supporting this campaign, and please let us know how it went for you.

Free family nature club offers summer adventures in the **East Ham Nature Reserve**. Over a series of four sessions, you will learn how to identify the reserve's snails, reptiles, butterflies and bees, learn all about their lives and make themed crafts to take home. Every Monday from 29 July to 19 August from 2pm to 4pm.

**London Marathon** Rev Sue has received her final fundraising total in aid of St Joseph's Hospice as £6,414 – Well done Sue and thanks to all who donated.
